Instructor : 최영 // 010-2428-6969 //now_and_here@daum.net

교재 : Hackers Sp/Wr intermediate, Hand-outs (plz, get a file folder)

Class & Homework Policy

This class is designed to help students prepare for further study in English-speaking countries while building up a strong knowledge of English. The course focuses on writing fundamentals such as grammar, punctuation, sentence construction, clarity, and coherence, unity as well as idea(paragraph) development and organization, leading to an effective speech and essay which students need to be equipped with to get good marks on most English tests, including TOEFL iBT, IELTS and TOEIC Speaking and Writing. During the semester, students will learn

to identify different types of speaking and writing format

to understand the fundamentals of English grammar and punctuation;

to support a thesis and construct a convincing argument in a speech or essay;

to analyze and revise their own writing/speaking and the writing/speaking of others;
