Time:

- ▶ Monday to Thursday, 7:50 – 8:40

Textbook:

- ▶ Effective Academic Writing (2nd Edition)

Overview:

This course is designed to improve your written communication. We will focus on the short essay – a versatile form that offers a wide range of topics and forms. We will use writing exercises, draft essays, discussion, and proofreading.

Topics:

- ▶ *Thesis*: Choosing and following your topic
- ▶ *Structure*: Following conventional formats
- ▶ *Rhetoric*: Using effective grammar, literary devices, and word choices to make your point

Expectations:

I want you to feel comfortable in this class and improve your confidence. Success breeds confidence, and improvement builds comfort. Thus, I want to give you as many chances to succeed and improve as I can. To achieve this requires participation in class exercises and discussion, composing drafts of essays, and editing your own and your classmates' writing.
