Class Time: **Tuesday, Wednesday, Thursday:** 1900-2030

Duration: Nov 5th (화), 2024- Dec 12th (화), 2024

Location: Room 214

Textbook: Smart Choice 2 **Student Book only** (4<sup>th</sup> Edition) by Ken Wilson

We will use the Smart Choice 2 Student Book. I highly recommend buying the book so you can follow along with us. We will break the book into two sessions (Units 1-6 this session), so we do not repeat it next term. We will also have a lot of free talking days to avoid using the book all the time. The key to this course is **to come and talk with each other!**

**The only way to fail is if you miss 6 or more classes.**

I want to have a Kakao group so that we can keep in touch through the term. If you are going to miss class, or come late, I would like to know. **Please be sure to join our group when you come to class.**
